Dear Sashanka Sekhar Majhi,

**Sub: Salary Restructure**

---

As per the recent advice from government of India, we have restructured the CTC structure / components to comply with the Labour Codes.

The revised CTC structure will be effective from **April 01, 2026**.

What does this mean to you:

1. Higher long-term retiral benefits: PF and Gratuity contributions have increased, leading to improved retirement and social security benefits.
2. No adverse impact on gross pay.
3. Standardized and compliant salary structure across grades and levels.

These changes are part of a larger national initiative to strengthen employee benefits and financial security. The Company remains committed to compliance, transparency, and safeguarding employee interests. Thank you for your continued support and cooperation.

Note:

- Details specific to your compensation have been annexed herewith for your reference.
- All other terms and conditions currently applicable to you will remain unchanged.
- Your compensation details are private and confidential; please ensure strict non-disclosure.
